

EAA Winter Flight Fest 2023 Contest and Fun Fly

Indoor
Free-Flight

February 10-12, 2023
In the EAA AirVenture Museum

Indoor
R/C

Fly Free-flight in the 35' Eagle Hangar amidst spectacular full-scale airplanes and fascinating WW II exhibits. Contest for: CLG, F1D, F1L, LPP and Ministick, plus FAC Events: NoCal Scale (6.2 gm min weight), FAC Phantom Flash (5 gm min weight), Dime Scale, GHQ Peanut, Bostonian and AMA P-18, one design Big Smash P-18.

Our tribute One Design this year will honor Bill Hannan; his Boxy Bipe built a little larger will have both Mass Launch and timed events. There will also be a Master Boxy Bipe event.

Heavier models fly early, light models later during contest times.

Please note: Like last year, the public event is being held only on Saturday; our flying schedule will NOT be impacted. We'll fly on Friday afternoon/evening, and Saturday evening, plus Sunday until 2 pm.

During the daytime, on Saturday, enjoy fun flying with our guests who come to annual EAA Winter Flight Fest. Over 1,000 guests attend this annual modeling showcase. Show off your favorite demonstration models, and help a kid (or parent) get the most out of their free Guillow's glider. **Plan on also spending time flying and explaining modeling to our guests. That's how we get to fly in such a special place; we're volunteers for the very popular annual EAA AirVenture Museum event.**

Schedule

Friday, Feb. 10 2 to 10 pm..... AMA/FAC Indoor FF contest—Day 1
Saturday, Feb. 11 - 8 am to 5 pm..... Fun flying during EAA Family Flight Fest
Saturday, Feb. 11 - 5 pm to 10 pm..... AMA/FAC Indoor FF contest—Day 2
Sunday, Feb. 12 - 8 am to 2 pm..... AMA/FAC Indoor FF contest—Day 3

Mass Launch Events: P-18 One-Design Mass Launch, Boxy Bipe Mass launch, Phantom Flash. Mass Launch times will be selected Saturday morning.

Pre-registration and AMA membership required to fly. **\$10 entry fee.** If you have Adobe PDF Reader, you can fill out the PDF Registration Form, save it on your computer, and email a copy it to the e-mail address below for pre-registration. Entry fee can be paid upon arrival. To ensure we have enough space dedicated for each of you, **preregistration is required!**

NOTE: No evening meals will be provided by EAA—we'll be on our own to make our own choices regarding dinner.

For additional contest information and rules, contact H.G. Frautschy scaleflyer@mac.com, or Jeff Annis jeannis@aol.com.

Special Thanks to the Bong Eagles Free Flight Club and their FAC Squadron 38 for contest assistance.
